DESIGNER PANELS

decowood®
PREMIUM VENEERS

Decowood has been a patron of wood since its inception. At Decowood, it's not just about chiselling away blocks of wood for homes, but also the craft and science that goes behind creating these spectacular pieces of art. With a reputation that spans across 100 countries, and over 200 varieties of veneers, Decowood has probably the largest collection to choose from. Each veneer of Decowood infuses the techniques of master craftsmen through centuries along with the touch of technology. And these designs have to be seen to be believed. They not only seep into our mind and heart, but also command an authoritative presence when they are installed.

UNVEILING

THE D'ART COLLECTION,

CRAFTED FOR THE
DESIGN CONNOISSEUR.

In the heart of every tree, there is an other worldly beauty waiting to be unleashed. The Decowood's D'art Designer Panels Collection paves the way for that warmth to enter your space. Each veneer design is a blend of art and innovation, featuring delicate cuts made using CNC technology on rare and exquisite wood handpicked from every corner of the world. These graceful patterns infuse your home with a touch of art, creativity, and enduring beauty.

CASCADE

Size: 4'x8'

Like the gentle glow of the sun, Cascade flows gracefully into any space with its soft, flowy pattern and an exuberant design. It evokes the calmness of sunset and sunrise, transforming your space into a haven of serenity and elegance.

ECLAT

Size: 4'x8'

Bask in nature's artistry in design form with Eclat. With delicate pattern that shares the similarity of veins in a leaf, this design brings the outdoors inside. No matter the setting, Eclat refines your space into a natural aesthetic.

NOVA

Size: 4'x8'

Inspired by the dazzling radiance of a star's surface, Nova features nature's marvel in a striking pattern that lights up your space with warmth. Its scattered shades and illuminating design ignite a sense of wonder and excitement in every corner.

VORTEX

Size: 4'x8'

Embark on a journey of wooden tales of time and beauty with Vortex. Its hypnotic pattern mirrors the natural rings inside a tree trunk, transforming your space with a distinctive beauty and design. Each circle tells a captivating story of rhythm and enduring nature.

SONATA

Size: 4'x8'

Discover the rhythm of music in design with Sonata. This design features a masterful interplay of irregular rectangles, carefully crafted to mimic piano keys. It offers a warm and contemporary feel, blending musical expression with natural beauty.

OPULENT

Size: 4'x8'

Indulge in the nature's harmony of shades with four distinct colours resembling the sky and its shadows. Each shape is arranged in a specific pattern, showcasing an opulent play of light and design in every space. Your spaces deserve nothing less than premium.

CREST

Size: 4'x8'

Capture the majesty of nature with Crest. This design showcases a stunning scale pattern, weaving a seamless symphony of lines. Its overlapping arcs evoke a peaceful, airy ambiance in your interiors.

REGAL

Size: 4'x8'

Bring royalty into your home with Regal. This design exudes grandeur with intricate patterns radiating sophistication. Its majestic design fills the space with magnificence and elegance.

SHALE

Size: 4'x8'

Enchant your space in nature's designs with Shale. Its muted tones, layered stripe pattern, and the essence of clay and rock bring an organic, grounded feel. It offers a sophisticated yet rugged texture, evoking the timeless beauty of the earth.

WALTZ

Size: 4'x8'

Waltz transports you to a scenic view of shifting desert hues, capturing the warmth, vastness, and charm of sand and stone. This design brilliantly showcases nature's beauty on your walls.

IRIS

Size: 4'x8'

Fuse into the dynamic energy of symmetry with Iris. Featuring an intricate chevron pattern, this design creates the contrast of modern sophistication and nature's calmness into your space with its sharp angles and classic style.

BACKING (PLY)

A unique innovation that reflects the pure form of nature, Ply Backing Veneer is produced by pressing natural decorative veneer directly on a Gurjan Base Ply with the patented MITT technology. It displays the epitome of creativity in the form of natural veneers and highlights the adaptability of Ply Backing Veneer.
